

CAPRI TABLE LAMP

Bell shaped collection of light fittings made of drawn steel with 3D laser cut decoration. The design is a synthesis between modern design and imagination, utilising the organic shape together with texture created through the cuts, which help diffuse the direct light emitted. Capri is varnished on the inside with a white matte finish and available in 3 colours on the outside: Glossy white, satin bronze, glossy black. The cable in PVC/FEP is covered with black fabric.

GLOBE: 2 x E-27 70w MAX.

COLOURS: Glossy white, satin bronze, Glossy black.
